150 meters north of the airfield

Søby lignite museum

Click [here](#) to open the museum webpage

The lignite museum Søby Brunkulsmuseum opened in 1977. The museum depicts working and home life for the 10,000 workers who slaved away at Søby lignite bearings from 1940 to 1970.

The Søby lignite bearings are a beautiful and exciting area to hike in but be aware that there is still a risk of landslides due to the excavations.

Distance from Arnborg: 6 km
