

How to register and update Participant information

Registration for the rally is done in the menu 'Registration'. You can choose between 3 different participant types:

- 'Registration - Pilot' Pilots with gliders and pilots without gliders
- 'Registration - Participant' Other participants/helpers.
- 'Registration - Volunteer' Danish volunteers.

In case not all information is available when the form is filled in, or a photo is missing, the data can always be added or changed under the menu item 'My registration'. To update data, the email address and password that were chosen when creating the form must be used.

Participation fee is paid upon registration. T-shirts and extra T-shirts are paid upon registration together with the participation fee.

When the registration form has been filled in, the fee can be paid by bank transfer.

When the registration procedure is completed, a confirmation email will be sent to confirm that the registration has been received. The email contains your participant number, which must be used, among other things, when checking in and out, purchasing start tickets, writing the start list, etc.

Once the payment has been registered in our administration system, your participation will be shown in the participant lists.

When your payment is registered, an email will be sent confirming that payment has been received. If you do not receive an email within a week, please send an email to registration@vgc2026.dk. When the payment has been registered, the participant will be visible in the 'Attendees' menu and the participant will be registered for the VGC Rally 2026 newsletter.

If you have any questions about the registration, please send an email to: registration@vgc2026.dk

Questions about the website can be sent to: webmaster@vgc2026.dk

Other questions can be sent to: info@vgc2026.dk
